

Chinese New Year Outreach Kit

The Bible Church, Singapore

Cultivate . Plant . Reap

- Cultivate relationships

- CNY provides a natural platform with limited timeframe to start or re-start relationships. For some it could be joy or chore.
- Remember **we carry the fragrance and blessings of God wherever you go.** (2 Corinthians 5:15-26)
- **Start now by praying for your families,** relatives and friends that you plan to meet or visit. Pray for **1-2 divine appointments** to plant cultivate **DEEPER relationships**

- Plant seeds of kind acts

- Assess their felt needs (needs of the seasons)
- If you can give an **Angbao or red packet,** consider giving with a **Blessing Card** to provide talking point for a conversation. See next page on how to use a blessing card.

- Reap with a tract or share the gospel with your personal testimony.

Blessing Cards* – Here's how you can use these during your visitations:

- Share with them that you would like to bless them with the Ang Bow along with the Blessing Card.
- **Highlight the Blessing card** with the Chinese characters.
- If they show interest, further conversation can circle around:
 - The scripture verses
 - QR code that will lead to a Chinese worship song. Listen with them.
- Ask them how they feel about this verse or song.

*Blessings cards & tracts are available outside the Sanctuary at level 3.

Small Ways To Show You Care During CNY

- Show up during CNY visitations.
- Engage with **A.I.R.** conversational technique.
 - **A**sk question to enquire after them.
 - **I**ntentional listening (to their felt needs)
 - **R**espond appropriately with a Christian outlook or value
- If your home situation is permissible, why not consider inviting 1-2 neighbours or someone who is spending CNY alone over for a chat, CNY goodies and coffee?

Last but not least,

Pray for wisdom to be bold, creative and joyful to be a blessing during this CNY. May you be filled with the joy of the Lord as you seek to be His Salt and Light during this festive season.
